Application No. 10/004,571 : REQUEST FOR INFORMATION
Filed: 4 December, 2001 :
Attorney Docket No. 2003080-0071 :
:

This is a Request for Information concerning the Petition Under 37 CFR 1.53(e) filed on 5 June, 2002.

On 4 December, 2001, the above-identified application was filed. Accordingly, on 19 March, 2002, Initial Patent Examination Division mailed a Notice to File Corrected Papers stating that the application had been accorded a filing date of 4 December, 2001, but that, *inter alia*, Figures 4A and 4B described in the specification appeared to have been omitted from the application.

In response the present petition was filed, accompanied by a copy of petitioners' return postcard itemizing the filing of, *inter alia*, 59 sheets of drawings and 76 sheets of formal drawings. Petitioners also provided a copy of the 76 sheets of "formal" drawings.

As Figures 4A and 4B described in the specification appear to be omitted from the 59 sheets of "informal" drawings, petitioners must supply a copy of the sheet(s) of drawings containing Figures 4A and 4B as originally filed on 4 December, 2001 (described on petitioners' postcard as "59 sheets of drawings").

Applicant should address these items as follows:

By mail: Commissioner of Patents and Trademarks
Box DAC
Washington, D.C. 20231

By FAX: (703) 308-6916
Attn: Office of Petitions

By hand: Crystal Plaza Four, Suite CP4-3C23

Arlington, VA 22202

Petitioners are given ONE (1) MONTH from the mail date of this Request for Information to reply. Thereafter, the petition will be considered on the basis of the evidence currently before the Office.
